

Ruby - Feature #16513

TracePoint#inspect to return "... file:line" instead of "...@file:line"

01/16/2020 08:46 AM - znz (Kazuhiro NISHIYAMA)

Status:	Closed
Priority:	Normal
Assignee:	ko1 (Koichi Sasada)
Target version:	
Description Proc#to_s and Thread#to_s have changed, but TracePoint#inspect includes @. I think changing TracePoint#inspect too is better for consistency. <pre>% ruby -ve 'TracePoint.new{p _1}.enable;p' ruby 2.7.0p0 (2019-12-25 revision 647ee6f091) [x86_64-darwin18] #<TracePoint:c_call `p'@-e:1> #<TracePoint:c_return `p'@-e:1></pre>
