Ruby - Bug #3991

Webrick doesnt except long URIs RequestURITooLarge

10/28/2010 11:21 AM - bleevo (Chris Hampson)

Status:	Closed		
Priority:	Normal		
Assignee:			
Target version:			
ruby -v:	1.9	**Backport:**	

Description

=begin
If your URI (plus the protocol portions) is longer than 1024 bytes you get an error of RequestURITooLarge

It is valid in the standard to have a URI longer than 1024 bytes.

Specifically this breaks support for OpenID.

Patch is easy.

class httprequest.rb
method read_request_line

change 1024 to something more reasonable.

http://stackoverflow.com/questions/417142/what-is-the-maximum-length-of-an-url

I updated mine to 2083 which is the maximum length IE supports
