Ruby - Bug #976

extension not rebuilt when extconf.rb is modified

01/04/2009 03:23 AM - hramrach (Michal Suchanek)

Status:	Closed		
Priority:	Normal		
Assignee:			
Target version:			
ruby -v:		**Backport:**	

Description

=begin
After applying the patch from issue #975 I had to manually remove curses.so for the change to take effect. Just running 'make' in top-level directory does not rebuild changed extensions
=end

History

#1 - 01/04/2009 11:17 AM - nobu (Nobuyoshi Nakada)

- Status changed from Open to Closed

- % Done changed from 0 to 100

=begin
Applied in changeset r21297.
