"u feeling okay?"

The inability for us to escape suffering caused by our own personal vices is [3] of the bible represents to me

Eric pointed out some insensitivities [1] piece about gender from my blog yesterday

After you eat, they've [1] boxes that we can ask Carla for if you're not hungry enough to finish all that

Soon we'll be out of the turbulence, and once the plane stops [3] will be able to rest against the window comfortably

I really hope they're [1] down on this dirty floor just cause the yoga instructor said to, that's gross!

Before long, the [1] care centers across the country will mean the beginning of a crisis for parents that don't have the time to attend to their child

Right before opening a present, Pat likes to try to guess what's inside [3] that it sounds when shaken

When her cubicle runs [2] supplies, could you go pick up some post-its and staples at the store please?

There are posters around the construction site with slogans reminding people to play it [2] equipment which could be dangerous if you were to use it with your bare hands

Realizing what the [1] finders are has drastically improved the average quality of my photos

Just got back from the interview, and luckily they didn't [3] too difficult

Now that Kyle's helped me study for the history quiz, it's made me confident [3] answers to pretty much any question they could ask

Some groups strongly believe that life begins [2] of conception, but others think it starts upon being born.

Considerate people generally ask [2] after a car accident, so they can contact you, and also for insurance purposes.

Before now, it was clear to me that you were never really that mad, because all the times you [3] until now you pulled your punches

Using fire drills is fine, but they don't simulate the panic people have when put [3] threatening situations

Swears become more and more okay over time. Nowadays, the list of words you have to censor on the news is [2], shit, and a few others

My grandfather remembers when people in an argument who wanted to [2] in the day would have to look stuff up in an encyclopedia to prove it

A murder weapon has been identified, the time of death was determined and the murderer is [1] a matter of fact, so the case is just about closed

Rude of them to cast judgement [3] of life just because it's different than ours

Don't you just hate the endless suspense of waiting for the winner [3] at award ceremonies?

Kim's only request was for it to be possible to get her beauty [1] and quiet, yet her husband decided to put on the game and turn the volume way up
