

Ruby - Bug #13785

trunk fails on Travis

08/07/2017 11:15 AM - duerst (Martin Dürst)

Status:	Closed	
Priority:	Normal	
Assignee:	nobu (Nobuyoshi Nakada)	
Target version:		
ruby -v:	ruby 2.5.0dev (2017-08-07 trunk 59526)	Backport: 2.2: UNKNOWN, 2.3: UNKNOWN, 2.4: UNKNOWN
Description <p>I noticed that travis-ci (https://travis-ci.org/ruby/ruby/builds) was red after I checked in r59521. I thought about reverting my commit, but realized that travis-ci had been red for trunk for a number of commits before mine. I hope we can get back to green soon.</p>
