Status:	Closed	Backport:
Priority:	Normal

Target version:		
ruby -v:	ruby 1.9.3dev (2011-05-16 trunk 31588) [x86_64-linux]	
Description		
This patch adds documentation for the methods in bigdecimal/util. Additionally, I removed some comments at the top that were incorrectly applied elsewhere as documentation for the Float class.
