

Ruby - Bug #771

test/unit wrapper breaks compatibility

11/21/2008 09:33 AM - bitsweat (Jeremy Daer)

Status:	Closed	Backport:
Priority:	Normal	
Assignee:	akr (Akira Tanaka)	
Target version:	1.9.1 Release Candidate	
ruby -v:		
Description		
<pre>=begin</pre>		
The test/unit wrapper breaks libraries that add behavior to Test::Unit::TestCase.		
You can't require 'test/unit/testcase' because it doesn't exist. But you can't require 'test/unit' because it autoruns tests.		
The patch brings back test/unit/testcase.rb and test/unit/assertions.rb to restore compatibility.		
<pre>=end</pre>		

History

#1 - 11/29/2008 04:41 PM - ko1 (Koichi Sasada)

- Assignee set to yugui (Yuki Sonoda)

=begin
