## ABOUT AZB GROUP

Abdul Zahir Bashir Group has established itself as a leading business conglomerate in Dubai, United Arab Emirates, since 1995. The group spans a diverse range of companies, with a strong presence across five key divisions: Machinery, Automotive Aftermarket, Motorcycle, Consumer Electronics, and Hardware & Tools.

With a comprehensive product portfolio, enhanced capabilities, and well-integrated distribution channels, AZB Group is the preferred partner in these industries. We are dedicated to delivering outstanding customer service, maintaining robust inventories, and operating from strategically positioned distribution centres. As a trusted industry leader, we provide businesses and consumers with top-quality products and exceptional services & customer support.

# INTRODUCTION

**Abdul Zahir Bashir Automotive Trading LLC** is the aftermarket automotive arm of the family-owned AZB Group, proudly established in the UAE over 30 years ago.

We are a trusted market leader in the distribution of high-performance batteries, tyres, tubes, spare parts, and lubricants. Today, our products are exported to 53 countries and trusted by over 800 customers across the UAE.

AZB is the exclusive regional distributor for Sebang Global Battery Co., Korea, and the global partner for Hyundai Energy batteries. Our tyre portfolio includes world-class brands such as BKT, Goodride, and SBK.

Driven by a commitment to reliability, quality, and customer satisfaction, we remain the one-stop solution for all automotive aftermarket needs.

## OUR MISSION:

To redefine mobility experiences by delivering efficient, high-quality automotive solutions at competitive prices. We aim to exceed customer expectations through safety, performance, and unmatched value powered by a relentless passion for excellence and innovation.

**Tyres:** We provide a broad selection of premium tyres for all types of vehicles. Whether you are driving on highways or tackling rough terrain, our tyres are designed to deliver superior grip, enhanced durability, and improved fuel efficiency.

**Automotive Parts:** As your one-stop shop for automotive parts, we offer a complete range of high-quality components. From engine parts to braking systems, our solutions are engineered to boost vehicle performance and safety.

**Lubricants:** As a trusted lubricant supplier, we are dedicated to advancing product development and service excellence, meeting the evolving demands of both local and global markets for the Lubricant & Grease.

**Tubes :** SBK tubes are designed to provide exceptional performance and durability. Crafted from high-quality rubber, these tubes offer- Excellent Air Retention, Puncture Resistance, Smooth Ride & Precise Fit.

### Why Choose Abdul Zahir Bashir Automotive Trading LLC:

**Uncompromising Quality:** We are committed to upholding the highest quality standards for all our products, adhering to strict quality control processes and industry regulations to ensure that every brand meets the highest level of excellence.

**Customer-Focused Service:** Our customers are at the core of everything we do. We take pride in offering exceptional service, competitive pricing, and customized solutions to meet your unique automotive needs.

**Global Presence:** With a wide-reaching global footprint, we serve customers across continents, providing our products, brands, and expertise to international markets. As the largest distributor of automotive aftermarket products in the region, our commitment to excellence knows no boundaries, making us the trusted partner of choice for businesses in the automotive industry.

# DISTRIBUTION & SUPPLY CHAIN

AZB Automotive Trading LLC's warehouses and distribution centres are strategically positioned throughout the UAE to effectively meet both Export and Domestic demands.

Our Warehouse A, inside Jebel Ali Free Zone, covers an area of 25,000 SQM, is one of the few temperature-controlled facilities in the region, aiding in prolonged shelf life of heat-sensitive products.

Warehouse B, also located inside Jebel Ali Free Zone, is on a 12,000 SQM area, which adds further strength & value to our logistics and supply chain capacity.

Warehouse C, located in Ajman with an area of 20,000 SQM, is our mainland warehouse and distribution centre.

Together, these facilities strengthen our commitment to upholding quality and reliability in logistics, distribution, and supply chain management.
